**H.R. 2204
Coast Guard Authorization Act of 1998**

As cleared by the Congress on October 21, 1998

H.R. 2204 would authorize appropriations for discretionary programs of the U.S. Coast Guard for fiscal years 1998 through 2000. The act also would make changes to the civil penalty provisions of various federal laws enforced by the agency. Those changes could result in increases or decreases in governmental receipts, but CBO estimates that any such effects would be negligible.

The CBO staff contact is Deborah Reis. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
